Welcome

Today's agenda:

- Glenda Eoyang
Network Evolves
- Leslie Patterson and Lecia Grossman
HSD-Based Coaching Models
- Judy Tal and Sabina Amend
HSD Associates' Hives

Network Evolves

Glenda Eoyang

The HSD Network Evolves

- Networks map patterns of interaction and relationship in a system
- **Node**
 - Any agent in the system
 - Represented by a circle
- **Connection**
 - Link between two nodes
 - Represented by a line

In the Beginning

Hub and Spoke

Concentrated info & power
Exhausted hub
Fragile structure
Predictable

Glenda was the hub
The Institute was the hub
The Network Board was the hub

Over Time

Scale-Free

Distributed info & power
Fit-for-function nodes
Robust structure
Unpredictable

"Hubs" were hubs
Centers were hubs
Locales were hubs

Next Evolution

YOU are the hubs:

- Use HSD
- Continue your learning
- Adapt models & methods
- Share your HSD story
- Invite others into the work

Small World

Localized info & power
Multiple hubs
Efficient structure
Predictable and not

Human Systems Dynamics Radical Inquiry Coaching

Goal & Role

GOAL: To help the client find fitness between current patterns and desired patterns to move toward ultimate goal/purpose.

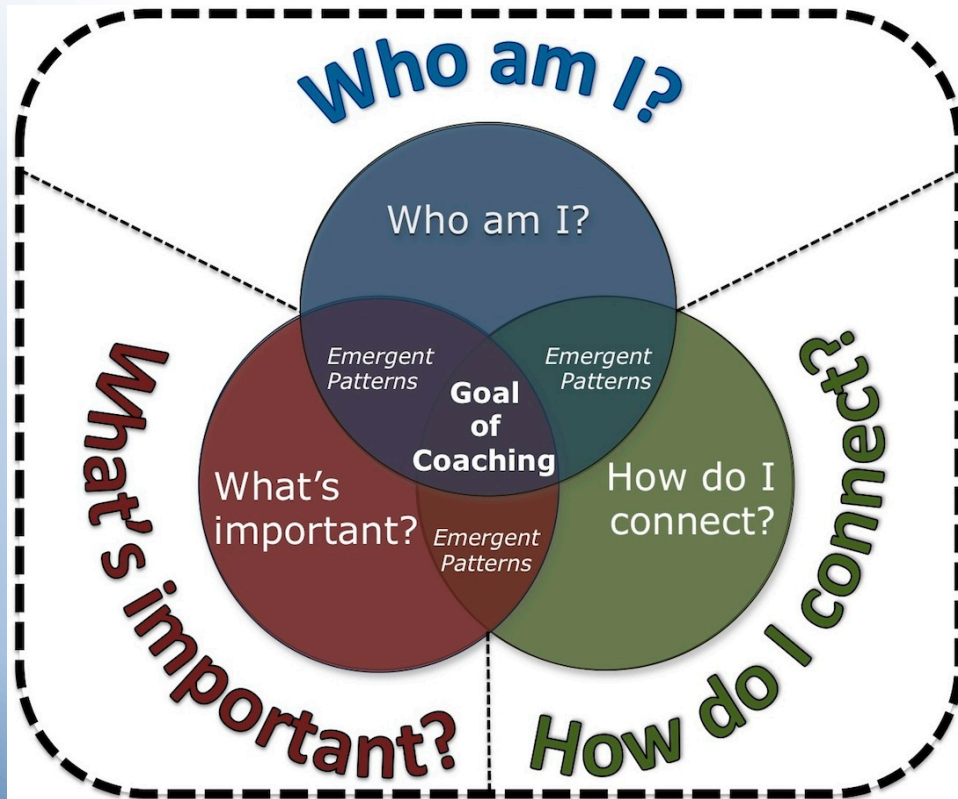

ROLE: To stand in inquiry with the client to:

- See current and desired patterns
- Understand dynamics of those patterns
- Take Adaptive Action to influence patterns

Complex Adaptive System

Radical Inquiry Protocol

#1) Goal?

#2) What emergent patterns do I want to see?

#3a) Who am I?

#3b) What's important?

#3c) How do I connect?

#4) What Simple Rules can shape the patterns I want?

Adaptive Action

What is your issue pattern?

So what keeps you stuck?
So what are your options?

Now what will you do to shift the pattern?

What Do We Believe?

- Learning = Adaptation
- Adaptation builds Adaptive Capacity
- Adaptive Capacity sets conditions for Resilience and Sustainability
- This works for individual learning AND collective learning

What Patterns Do We Want to See?

How Shall We Engage?

Teach and learn in every interaction

See, understand, and influence patterns

Attend to the whole, the part, and the greater whole

Recognize and build on assets of self and others

Seek the true and the useful

Act with courage

Engage in joyful practice

What practices are most useful?

Generative
Instructional Practices

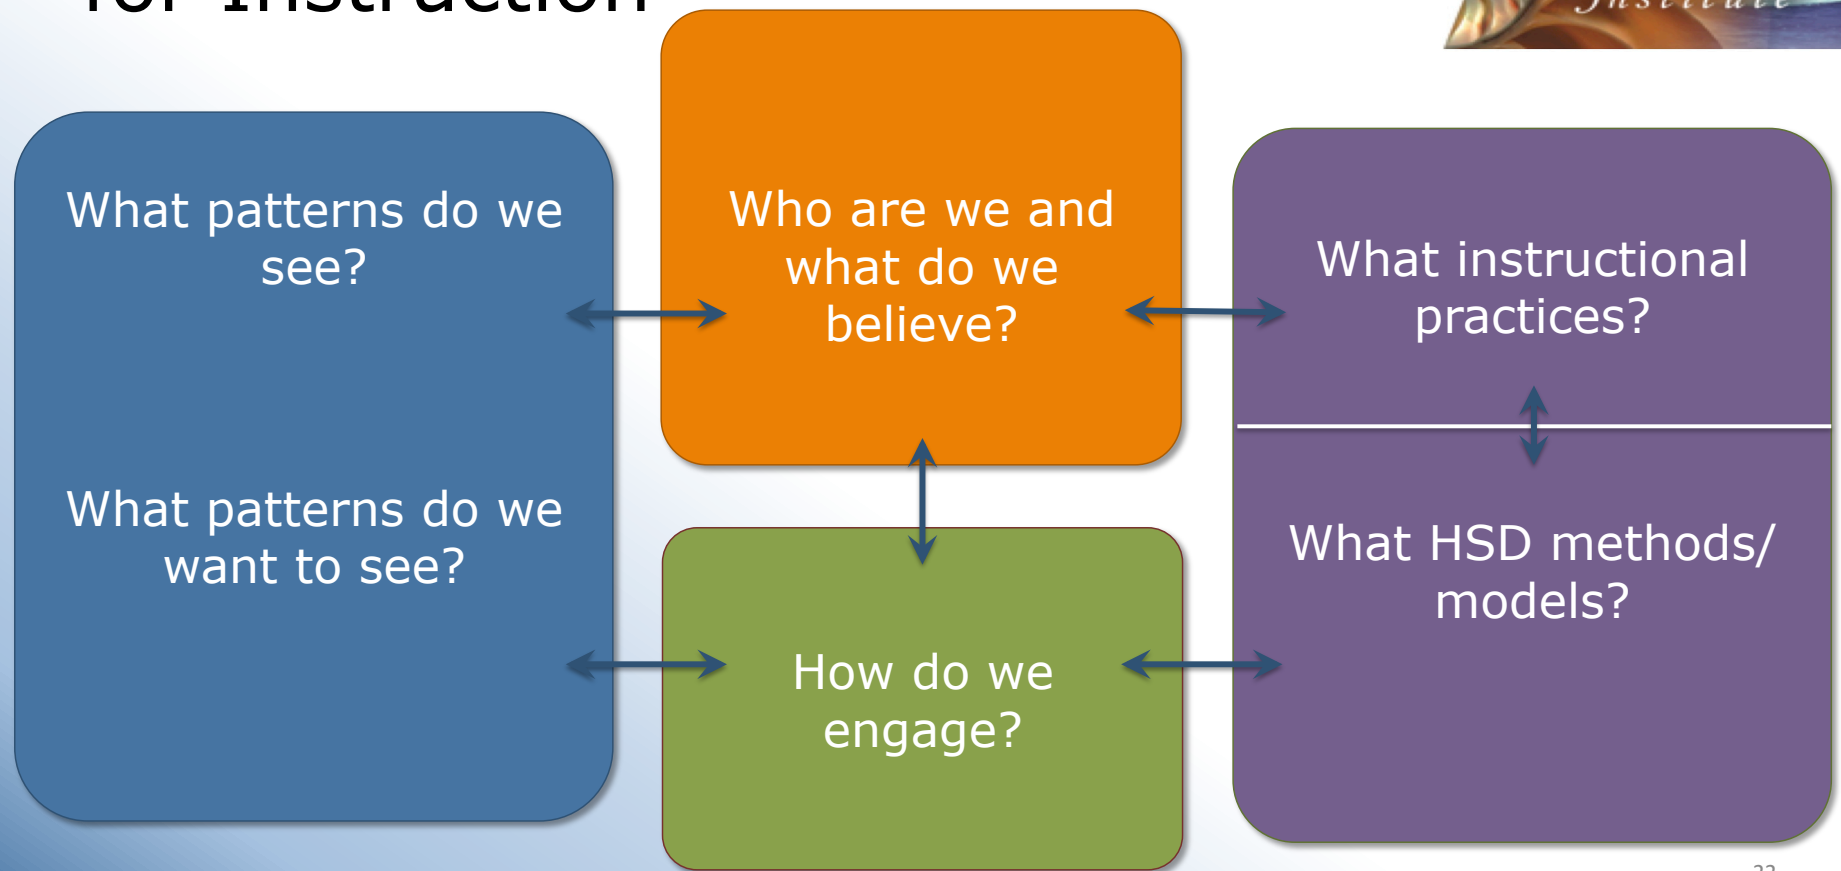

Adaptive
Action

What HSD methods/models?

HSD Adaptive Coaching for Instruction

Now What?

- July, 2015 – 3-day Adaptive Coaching Institute plus follow-up support
- 14 participants in Dallas area in partnership with a National Writing Project site
- January, 2016 – Revise/refine design and materials

HSD Associates' Hive

Judy Tal

Sabine Amend

HSD Associate's HIVE

- HSD Associates practicing HSD
- Process informed by HSD
- Capacity Building

Who? Where? When?

- Small cells of HSDP colleagues (6-8)
- Regular virtual meetings (bi-weekly)
- Definite but limited time-length (3-4 months)

How?

- Facilitated/hosted process (not taught!)
- Practice Adaptive action & HSD Simple Rules
- Using your “real life” material
- Supporting and being supported with HSDP wisdom and skills

Commitments

- Showing up to most meetings/full length
- Practicing and inquiring
- Honoring confidentiality for trust/safety
- Stewarding sustainability: Pay fee to cover preparation and hosting (\$40 per month; hosts also pay this)

Containers

- Virtual Meeting room (AC)
- Fixed period (3-4 months)
- Fixed dates (90' twice a month)

- Emergent content (per meeting)
- HSD praxis and lingo

- HSD Associates
- HIVE members
- Cell members

Differences

- Cohort
- Field of Practice
- Age/Gender/Location

- Education/Expertise
- Occupation/Position
- Disciplines

- Participation vs. Hosting
- Communication style
- Interpretation
- Culture

Exchanges

- Virtual/Verbal
- Following a fixed Scheme
- Teach & Learn
- Synchronic (in the moment)

Exchanges within the HIVE are meant to be emergent
respectful to the HSD Simple Rules

Content and interpretation are meant to emerge in a self
organizing manner

Responsibility and accountability on the outcomes are
mutual and cooperative

Opportunities

Spin-Off Activities – Outside the Hive:

Inspired by Hive exchanges, opportunities for further activities are likely to emerge.

For example:

Project-focused collaborations

Buying in “taught” sessions (to deepen or clarify concepts, knowledge)

Showcasing “live” HSD processes with clients present

Your creative HSD endeavors

Any agreements on commitment, time, money, and additional ground rules will be made separately for these additional activities. They do not affect the structure or commitments with the HIVE.
